Dear PFK 2 Site Coordinators and Assistants—

As you know, the students in PFK 2 will be performing in the April 4th and 5th productions of “The Golden Goose” at the Foundation. Attached are the Song Sheets and a recording of the songs they will be singing. Please play them as often as you can and let the students sing along. Everything needs to be memorized for the first rehearsal at the Foundation on Monday, March 31. There will be one daytime performance on Friday morning, April 4, and one nighttime performance at 7:00 PM on Saturday, April 5. This year one of the students in the play, Alaina Goode, is the featured soloist on the recording, joined on a few numbers by her sister Addie.

The PFK Chorus always adds excitement and greatly increases the impact of the show, and we always receive many compliments from audience members about “all those wonderful kids in the chorus.” Thank you in advance for your part in making it happen.

Diane McEnnerney
Musical Director

NOTE: Sing where the Song Sheet indicates PFK in **BOLD, UNDERLINED**
